A website for everybody

Here is a great opportunity to leverage most from the size and spectrum offered by the Internet.

This is an opportunity for those who want to showcase their work, product, services on Internet at a reasonable price.

The **PRICE** factor is what we had in mind when Website @ Rs. 995/- p.a. was launched last year. This offer has no hidden costs. It includes design and hosting charges. Domain registration can be done @ Rs. 600/- for .com, .org, .net TLDs. and @ Rs. 900/- for .co.in, .org.in, .in TLDs. For other TLDs get in touch with sales team at KISSPL.

Absolutely free, now you will get 2 email accounts each of approx. 7GB size for domain you have registered with us.

Now with feed back received from our clients we are happy to announce two more product for firms, institutional users, trusts, and companies. An corporate user can have its website

@ Rs. 5995/- p.a. with 500MB web space.

or

@ Rs. 9995/- p.a. with 1GB web space.

Both these products and intermediate range will give you ample choice to *decide a suitable size for your website.*

We also **offer two Addon modules viz. bulk SMS service and email scheduling** from your website. For details send an email to service@infotools.in

Why price is so low?

We expect a long-term relationship with your organization. (Say 10 years)

Handling charges Rs. 105/- per bill for Rs. 995/- website and Rs. 505/- for Rs.5995/- and Rs.9995/- websites (Credit card usage, Internet usage, etc.) will be charged extra

Additional charges:

- Taxes as applicable on the date of invoice.
- Rs. 10,000/- for transfer of website from us to someone else within 5 years from the first invoice date.
